## Paid online GP training session – two workshops in one online session

WA Primary Health Alliance is providing GPs in WA with paid IAR-DST training covering two workshops in one online session.

GPs and GP registrars who attend the two workshops in the one online session will be remunerated \$300\* and CPD hours are available.

CPD hours and payment apply only upon successful completion of both workshops.

### Workshop One

Runs for 30 minutes and the training topics include:

- Introduction to the IAR and the development of the IAR national guidance.
- Orientation to the domains, levels of care and the DST.

### Workshop Two

Runs for 90 minutes and includes an interactive training session. The training topics include:

- Application of the IAR in assessment and intake settings (practical group activity using vignettes).
- Discussion and reflection from groups.
- Clinical judgement and supported decision making, care preferences and care type.
